BILLING CODE 7020–02–P

DEPARTMENT OF JUSTICE

Bureau of Alcohol, Tobacco, Firearms, and Explosives

[Docket No. 2024N–01]

Commerce in Explosives; 2024 Annual List of Explosive Materials

AGENCY: Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF); Department of Justice.

ACTION: Notice of list of explosive materials.

SUMMARY: This notice publishes the 2024 List of Explosive Materials, as required by law. The 2024 list is the same as the 2023 list published by ATF.

DATES: The list becomes effective August 21, 2024:

FOR FURTHER INFORMATION CONTACT:

Michael O'Lena, Chief; Explosives Industry Programs Branch; Bureau of Alcohol, Tobacco, Firearms, and Explosives; United States Department of Justice; 99 New York Avenue NE, Washington, DC 20226; (202) 648–7120.

SUPPLEMENTARY INFORMATION: Pursuant to 18 U.S.C. 841(d) and 27 CFR 555.23, the Department of Justice must publish and revise at least annually in the **Federal Register** a list of explosives determined to be within the coverage of 18 U.S.C. 841 *et seq.* The list covers not only explosives, but also blasting agents and detonators, all of which are defined as “explosive materials” in 18 U.S.C. 841(c).

Each material listed, as well as all mixtures containing any of these materials, constitute “explosive materials” under 18 U.S.C. 841(c). Materials constituting blasting agents are marked by an asterisk. Explosive materials are listed alphabetically, and, where applicable, followed by their common names, chemical names, and/or synonyms in brackets. This list supersedes the List of Explosive Materials published in the **Federal Register** on December 22, 2023 (Docket No. 2023N–01, 88 FR 88655). However, the explosive materials on this list are the same as those on the 2023 Annual List of Explosive Materials.

The 2024 List of Explosive Materials is a comprehensive list but is not all-inclusive. The definition of “explosive materials” includes “[e]xplosives,

blasting agents, water gels and detonators. Explosive materials, include, but are not limited to, all items in the ‘List of Explosive Materials’ provided for in § 555.23.” 27 CFR 555.11. Accordingly, the fact that an explosive material is not on the annual list does not mean that it is not within coverage of the law if it otherwise meets the statutory definition of “explosives” in 18 U.S.C. 841(d) and (j). Subject to limited exceptions in 18 U.S.C. 845 and 27 CFR 555.141, only Federal explosives licensees and permittees may possess and use explosive materials, including those on the Annual List.

BILLING CODE 4510–28-P

OFFICE OF MANAGEMENT AND BUDGET

OMB Sequestration Update Report to the President and Congress for Fiscal Year 2025

AGENCY: Executive Office of the President, Office of Management and Budget.

ACTION: Notice of availability of the OMB Sequestration Update Report to the President and Congress for FY 2025.

SUMMARY: OMB is issuing the OMB Sequestration Update Report to the President and Congress for Fiscal Year 2025 to report on the status of the discretionary caps and on the

compliance of pending discretionary appropriations legislation with those caps.

DATES: August 16, 2024.

ADDRESSES: The OMB Sequestration Reports to the President and Congress is available on-line on the OMB home page at: <https://www.whitehouse.gov/omb/legislative/sequestration-reports-orders/>.

FOR FURTHER INFORMATION CONTACT: Thomas Tobasko, 6202 New Executive Office Building, Washington, DC 20503, Email address: ttobasko@omb.eop.gov, telephone number: (202) 395–5745, FAX number: (202) 395–4768. Because of delays in the receipt of regular mail related to security screening, respondents are encouraged to use electronic communications.

SUPPLEMENTARY INFORMATION: Section 254 of the Balanced Budget and Emergency Deficit Control Act of 1985 requires the Office of Management and Budget (OMB) to issue a Sequestration Update Report by August 20th of each year statutory discretionary caps are in place. For fiscal year 2024, the report finds enacted appropriations at or below the statutory caps. For fiscal year 2025, the report finds that appropriations actions to date by the House of Representatives and the Senate for the 12 annual appropriations bills for fiscal year 2025 would breach both the defense and non-defense caps under preliminary OMB estimates if they were enacted into law. The report further notes that final legislative action will determine the need for sequestration and the Administration will work with the Congress to ensure that an unintended sequestration does not occur. The report contains OMB's Preview Estimate of the Disaster Relief Funding Adjustment for FY 2025.
